The Mormon Puzzle: Interpreting the Church of Jesus Christ of Latter Day Saints

Mormons claim they are a Christian movement founded on the principles of Jesus Christ. Yet, Christians are confused by Mormons' use of extra-biblical scriptures such as **The Book of Mormon**, unorthodox doctrines, and aggressive missionary efforts to convert them to the LDS church. So they ask, "What is the truth about Mormons?" This DVD is an honest and balanced attempt to put together the diverse pieces of the Mormon puzzle. The producers studied official LDS church statements, researched documented historical records, and personally interviewed LDS leaders and scholars to reveal a clear picture of LDS history, beliefs, and goals. Prominent Christian experts including theologians, ministers, and several former Mormons evaluate LDS doctrinal assertions in light of biblical truth. Practical principles for witnessing to Mormons are presented. Join us for this DVD teaching session this Sunday evening at 6:00. It will last until 7:30.

Notes from ARBC Quarterly Congregational Meeting January 15, 2012

Church Actions:

- Church elected ARBC Members to various committees and leadership positions.
- Church received reports on various projects from the Deacons and Youth ministry.

Reminders:

- ALL newly elected committee and organizational chairpersons are automatically members of the Church Council. The Church Council is one of the most important church advisory groups. Chairperson attendance is vital for the health of our church. Church council meets at 5:00pm on the Sundays when Quarterly Congregational Meeting is held— usually the third Sunday of January, April, July and October. If the chairperson is unable to attend, please send a representative.
- Please submit items for Congregational Meeting to Tricia in the church office by Wednesday, the week before the Congregational Meeting. This allows adequate time for preparation and utilization of church resources.
