Noah's Ark in the Threes

In the Threes class this week, we learned the story of how God used Noah to build the ark. It rained for 40 days, but God kept Noah and his family and all the animals safe in the ark. After the rains were over, God sent a rainbow promising He would never flood the earth again. The children loved the story! During our review, Miss Heidi asked "How many days did it rain?" Katie answered "16 minutes". Then Ms. Heidi asked what God did after the rain stopped. Nana answered that He "put up a big umbrella". It is such a joy to teach these children!

News and Notes:

The Mormon Puzzle: the Church of Jesus Christ of Latter Day Saints (LDS)
Mormons claim they are a Christian movement founded on the principles of Jesus Christ. Yet, Christians are confused by Mormons' use of extra-biblical scriptures such as **The Book of Mormon**, unorthodox doctrines, and aggressive missionary efforts to convert them to the LDS church. So they ask, "What is the truth about Mormons?" This DVD is an honest and balanced attempt to put together the diverse pieces of the Mormon puzzle. The producers studied official LDS church statements, researched documented historical records, and personally interviewed LDS leaders and scholars to reveal a clear picture of LDS history, beliefs, and goals. Prominent Christian experts including theologians, ministers, and several former Mormons evaluate LDS doctrinal assertions in light of biblical truth. Practical principles for witnessing to Mormons are presented. Join us for this DVD teaching session this evening from 6:00-7:30.
