

CHRIS & LISA MOORE are missionaries working in Mombasa, Kenya, with Real 4 Christ Ministries. ARBC is privileged to be a small part of their work.

Chris Moore was privileged to grow up in Kenya working alongside his parents, Tom & LaDell Moore. During their years of ministry to the African people, God allowed them to experience thousands of salvations and baptisms, build Bible Colleges, and develop over 30 churches. Chris and Lisa met while Chris was in the US Navy during his service here in Charleston, and they were married in 1988. Since then, Chris and Lisa have worked side-by-side in different areas of ministry.

In 2007, Chris and Lisa Moore founded Real 4 Christ Ministries. They began ministering part-time in Kenya while raising funds in the United States. In 2008, they received approval from the *Baptist Bible Fellowship International*, opening the doors to share their ministry in churches across the country. Their home church, Hallmark Baptist in Ft. Worth, Texas along with Pastor Mike Haley, have an integral part in supporting Real 4 Christ Ministries.

Today, Chris and Lisa are full-time missionaries living in Mombasa, Kenya. Chris enjoys preaching in the villages, teaching young pastors in Bible College and training the national people to run the day-to-day ministry of the churches, schools, feeding centers and clinics that R4C is establishing in the remote villages. Lisa uses her nursing education to help meet the physical needs of the Kenyan people. Through providing free medicine to the school children, their families and communities surrounding the villages, their lives are being drastically changed forever.

Chris and Lisa are blessed with two amazing children who are attending college in the US. Their daughter, Crystal lives in San Antonio, and their son, Brandon in College Station, Texas.

When Byron, Kathleen & Amelia White visited Kenya in January, they took a bag of medical equipment to replace the one Lisa had lost in a home burglary a month before. The generous donations of 8 ARBC families made this happen! The Whites also had the privilege of visiting the MBEWAU church/clinic/school. You can read about their experiences on their blog: <http://absoluteafrica.wordpress.com/>.

Chris and Lisa have really been effective in developing and stewarding their relationship with Hallmark Baptist, and it is our hope that we can learn from them about how to partner with missionaries serving overseas. For more info, check out their website: www.real4christ.com.
