How to Study the Bible: This is an introductory level course on how to read, understand and apply the Bible to your life. PowerPoint course with handouts.

James: Mercy Triumphs: By Beth Moore. Topics in this study include: joy, hardship, faith, reversal of fortunes for the rich and poor, wisdom, gifts from above, single-mindedness, the dangers of the tongue, humility, and prayer.

Testing of Your Faith: "To determine the presence or properties of faith." *The Testing of Your Faith* by Dr. Bruce Wilkinson, will teach you the biblical truths about what happens when God sends a test of faith into your life, and how to stand firm and allow God to bless you through these tests.

Four Views of the End Times: This DVD-based study shows four different Revelation timelines. For each view, the study includes a definition, supporting Scriptures, a time line of the view's popularity, and a sampling of Christian leaders supporting that view. Common questions & answers are handled as part of each session, so you don't need to be the expert.
